Have you got extra bulky waste this holiday period?

Book a bulky waste clean-up for the new year to help tackle some of your holiday waste. Don't forget to stack it neat, as unstable piles could hurt someone and risk not being collected.

Are there batteries hiding on your Christmas list?

Christmas is the time of giving, but it's also a time where our bins get full!

Did you know that many common items like singing cards, toys, watches, wireless earphones, remote controls and phones contain hidden batteries?

No batteries of any kind can go in your red or yellow bins as they can ignite and explode. Find a battery drop-off near you by visiting cb.city/Batteries

Cultural precincts

In Canterbury-Bankstown we take great pride in our rich cultural diversity. At a recent Council meeting, we decided to engage the community in a discussion about identifying, developing and promoting cultural precincts in our City. Some neighbouring councils have already established these and we want to find out if you'd like to do the same. Have your say by completing our online survey before **18 December**. PUBLIC HOLIDAY HOURS

During the holiday period, we will empty your red, yellow and green bins on your normal service day.

However, we will start earlier than usual on Christmas Day, Boxing Day and New Year's Day.

Council Clean Up Services (bulky waste) **do NOT** operate on Christmas Day, Boxing Day or New Year's Day.

Many other Council services will be closed or operate on adjusted hours.
